

Girl Scout curriculum book, MEdia, page 73 features the organization Games For Change. The Games for Change website features games targeted at teens depicting teen sexual activity, “safe sex with friends” and teen sex education.

Games For Change content includes:

Promotion of the game “Safe Sex With Friends” and other games promoting “safe sex awareness” for teens. See:

http://www.gamesforchange.org/press_releases/games-for-change-announces-winner-of-the-sexetc-org-game-design-competition/ and
<http://www.gamesforchange.org/2013/06/games-for-change-announces-sex-etc-finalists/>

Promotion of and download link for the game “LongStory: A Dating Game for the Real World is a queer-positive dating-mystery-relationship game for pre-teens that doesn’t shy away from difficult topics like homosexual identity, bullying, healthy sexuality, fitting in, standing out, and figuring out what normal is.” See "game profile" tab at <http://www.gamesforchange.org/play/longstory-a-dating-game-for-the-real-world/>
