

For several years, Girl Scouts of Silver Sage Council has encouraged girls to participate in and fundraise for *Race for the Cure* benefiting Susan G. Komen, an organization that financially supports Planned Parenthood.

2013 promotion of Komen race signups

## Pink for a Purpose

By: Abby L.

Calling all Girl Scouts and their families and friends! The 2011 Susan G. Komen Race for the Cure will be May 7<sup>th</sup> in Boise, and you are invited to join the 2<sup>nd</sup> annual Girl Scouts of Silver Sage Council Team sponsored by the Teen Advisory Committee. Last year, we placed first in the non-profit division, and we are hoping to do that again this year! Breast cancer is a disease that affects *everyone*, and we are taking action to help with the search for a cure.

Registering for our team is simple, and only takes a few minutes. Go to <http://www.komenboise.org/> and click "Register" under the "Komen Race for the Cure" tab. On the right side of the screen, click "Join a Team". On the next page, you can search for our team by name (Girl Scouts of Silver Sage Council) or by division (Non-profit). Once you have found our team, click "Join" and fill out the registration form! The cost is \$20 for ages 13 and up and \$10 for youth ages 12 and under, and 100% of that cost goes towards local mammogram and treatment funding and national research for a cure. Each participant will receive a t-shirt to wear on race day and all team members who register before March 31<sup>st</sup> will receive a free wristband from Susan G. Komen. →

Teen Advisory Committee members pose at a race for the cure last year.

There will be a kick-off event in April for all members of the Girl Scout team, so be watching for more information after you register! Help us make this a huge success by supporting awareness in our community. Join the fight against breast cancer today!
